

Early Help for Children and Families Martley CE Primary School and Pre-School

EARLY HELP OFFER

Document Full Name	Early Help Offer
Developer/Developer's Role	Lucy Cox – Headteacher
Edition Date	August 2024
Approval Responsibility	Senior Leadership Team
Approval Date	September 2024
Review Cycle	Annually
Next Review Date	August 2026

At Martley CE Primary School and Pre-School we recognise the challenges that families face in bringing up children. **There are times when we all need extra help and support. If this is the case please come and talk to us at school.** There are many ways in which we can help as outlined in this offer of early help. We can also help to plan specific support for families where we can work together to set and achieve outcomes.

The diagram below shows the range of needs at different levels. We use this graduated approach to make sure we provide the best support for different families' individual situations.

Providing early help to our pupils and families at Martley CE Primary School and Pre-School means we are more effective in promoting support as soon as we can. Early help means providing support as soon as a problem emerges, at any point in a child's life.

If you cannot find the support you need signposted below, or are unsure where to look, please do talk to us at school – we will do our best to help in any way we can.

Telephone: 01886 888201

Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at Martley CE Primary School and Pre-School means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Families who may not be eating healthy food
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems.
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart.
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

At Martley CE Primary School and Pre-School we meet the needs of our children through a variety of ways:

Behaviour Support Team: The school utilises support from the Behaviour Support Outreach Team at Perryfields PRU. This team works with identified pupils normally on a one-to-one basis, they also carry out observations and write reports to provide information to school to support children with social, emotional and behavioural issues.

Safeguarding: All staff are trained in safeguarding and are given at least annual updates. School works closely with a range of agencies to help promote happy and healthy lifestyles for all pupils.

In [Keeping Children Safe in Education](#) it makes it clear that ALL staff should be aware of their local early help process and understand their role in it. In addition, this statutory document makes it clear that any child may benefit from early help, but all school and college staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health care plan);
- Is a young carer;
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance present challenges for the child; such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child.
-

We emphasise that everyone needs help at some time in their lives and therefore an ethos of early help is important for any and every school or educational establishment.

We believe that early interventions for children or families, in many cases, will prevent children from experiencing harm and help problems from escalating further. Martley CE Primary School and Pre-School will refer to appropriate agencies when help is required to support children, young people or families or to prevent harm.

Mental Health: Martley CE Primary School has a designated Mental health lead, Mrs Cox as well as a TISUK practitioner with a Diploma in Mental Health. These members of staff are trained in supporting staff to spot common signs and symptoms of common mental health issues, to provide non-judgemental support and reassurance, and to guide the young person or adult to seek professional support they may need.

Nurture Lunch Support: We offer activities for those students who prefer quiet time or find social times difficult. These may include drawing or construction activities. The children gain new friendships which helps them build their confidence and resilience. Playleaders from KS2 also support younger children with structured activities.

Attendance: The attendance of all children is closely monitored by the School Attendance Lead. We operate a 'first call' system to check on the attendance of missing pupils if school have not been notified of an absence. Families and children are offered support and advice to help improve poor attendance. School also work with families who are struggling with punctuality, meeting parents and children to identify the underlying reasons and working out how we can positively support the whole family.

Trauma Informed
Schools UK - TIS

Mrs Garness is a trained Trauma Informed School practitioner (TIS practitioner) with a Diploma in Trauma and Mental Health. Our nurture room is available as a safe space for children needing time to talk with a trusted adult. TIS staff use scientific research techniques, such as PACE (playfulness, acceptance, curiosity and empathy) to deliver art therapy interventions. When the right side of the brain is engaged with creative tasks, it makes the left side easier to access and emotions can be explored and empathised with. Support and interventions include:

- Big empathy drawings
- Creative activities around emotions such as sand play
- Attachment play 1:1 or in small groups
- Talk therapy where appropriate

PSHCE: Martley CE Primary School and Pre-School delivers comprehensive Personal, Social, Health and Citizenship education and have developed a new Relationship and Sex Education (RSE) programme based on the SCARF resources provided by Coram Life Education. This scheme further supports the children's understanding of how to keep themselves safe. It also broadens their understanding of strategies to develop their resilience, as well as their awareness of their mental health and approaches to keep this aspect of their lives healthy.

Online Safety: Each class is taught relevant aspects of e-safety throughout the year, linking directly with areas of computing they are working on. We plan presentations led by the NSPCC and NOS to support both children and parents to develop a greater awareness of the dangers they face online each day, as well as strategies to keep themselves safe. Regular hints and tips to protect children online, relating to specific areas of interest for children are shared via the school newsletters and Class Dojo. Parents are provided with access to the National College resources for online safety.

SENDCo: Our SENDCo (Special Educational Needs and Disabilities Coordinator,) Mrs Smith, is available to support and guide families with additional needs and can signpost parents to many different agencies. She also helps ensure that pupils receive appropriate support through carefully managed intervention strategies. Our School Offer is also available through the school website. We work closely with Chadsgrove School and their Learning Support Team in supporting a range of pupils within school.

Speech, Language and Communication: We employ the services of the NHS SLCN team to support staff and pupils in achieving the best outcomes for all pupils.

Pupil Premium Funding: Children and families who are eligible for this funding may receive subsidies on school trips, school meals and other items necessary to help pupils achieve in school.

Family Support Worker: We work alongside the Family Support Worker Team to help families with a variety of needs. These may include:

- Bedtimes
- Morning routines
- Behaviour at home/school
- Access to parenting courses
- Signposting to other agencies
- General issues regarding children
- Anxiety

Female Genital Mutilation (FGM): All staff have received training on FGM. Staff know how to identify if a child may be at risk. They know the signs to look for and most importantly how to refer, following the school’s safeguarding procedures.

Prevent: All of the DSL team has received the PREVENT training, disseminating this information to ALL staff and ensuring they are all able to identify the early stages of radicalisation and what to do. Staff have completed the Channel online training. This is now also part of the induction process for new staff.

All Martley CE Primary School and Pre-School staff must be aware of the school’s offer of early help. At all times, staff should consider if there is any offer of early help that we can make in order to help a child thrive. We also liaise with other agencies and people within the local community. In the table below are some Local and National organisations that can support children, young people and their families.

<p>Early Help Family Support Service (EIFS)</p>	<p>The Early Help Family Support Service is delivered by Worcestershire Children First directly to families permanently living in Worcestershire who have children aged 0-18 years old and need help and support specifically from a Family Support Worker. For more information, please visit: https://www.worcestershire.gov.uk/eifs We actively support parents to complete the required forms if requested.</p>
<p>Wrap-Around-Care</p>	<p>During term time Martley CE Primary School and Pre-School offers breakfast club from 7.50 am and after school care until 5.30 pm. This wrap around care is staffed by adults known to the children and helps ensure that pupils are cared for in a nurturing environment. Children are supported to start homework, complete reading with an adult or to share quality time with friends.</p>
<p>St Peter’s Church Martley</p>	<p>Whether you attend church or not, support is available for families in need – this support can take many forms and the church is always willing to listen and help in some way. Click below. Martley Church page and contact details</p>
<p>Worcester Libraries</p>	<p>Not only does the local library service offer books and a warm place to be, they also provide access to many other levels of support and advice. This includes adult learning opportunities and employment support. Follow the link below to find out more. https://www.worcestershire.gov.uk/libraries</p>
<p>What is our Early Help Offer?</p>	<p>What is Early Help? Early Help means providing support as soon as a problem appears, to stop it from getting worse. This could be at any point in a child's life, from birth to the teenage years. Anyone can provide early help – you do not need to be an expert. Early help is not about passing the issue on to a professional, but thinking about what is the best support you can offer. You can provide effective support by:</p> <ul style="list-style-type: none"> • listening • working with other people who could help • finding out about specialist agencies who could help • filling out an Early Help Assessment with the person you are helping

	<ul style="list-style-type: none"> contacting Children's Social Care if you think the problem is more serious <p>There is a lot of information and advice on the Advice, Care, Health and Support pages as well as detail of local services that can provide support for children, young people and families.</p>
Ready, Steady, Worcestershire	Food, activities and support available to families and children from nursery and primary aged, through to older children and teenagers during the school holidays - Ready Steady Worcestershire - school holiday food and activities Worcestershire County Council
Worcester Foodbank	https://worcester.foodbank.org.uk/
The Front Door to Children's Services	If a member of staff, parent/carer or member of the public thinks a child or young person is at immediate risk of significant harm they should contact the Family Front Door (FFD) – 01905 822 666 or in an emergency always call 999.
