Martley Wrap Price Review

As you will have seen in the media, rising costs nationally are resulting in financial challenges across all educational settings.

The cost of childcare has increased across the country and as a result, school will be increasing prices for WRAP provision. This is necessary to cover the costs so that we are not running at a loss. Please note, unfortunately we can no longer run ASC club until 5pm on a Friday as it is currently not viable.

Following a review of our session prices and timings please see the changes below from week commencing 3rd March 2025.

Help with Fees

Parents can receive help with fees through the Tax-Free Childcare scheme and can use this to pay for Wrap around care. To find out more visit www.childcarechoices.gov.uk/tax-free-childcare

We understand a price increase is never great news, however, we will still continue to provide a healthy breakfast and afterschool snack included in the cost of the session, and of course, as always maintain a warm, friendly environment where your child/ren feels safe, secure and valued.

May we take this opportunity to thank you for your continued support and understanding.

Kind regards

Mrs Lucy Cox
